# CUAET COMMUNITY RESOURCE GUIDE

## MEDICINE HAT, AB

This Guide is to support Ukrainian evacuees, arriving in Medicine Hat, AB. In response to mass evacuation of communities in Ukraine, the Canadian government created the Canada-Ukraine Authorization for Emergency Travel (CUAET) visa, allowing Ukrainian nationals to enter and work in Canada for up to 3 years, if approved.

Though entry access has been offered, the CUAET has restrictions. CUAET visa holders are not considered Refugees. Eligibility for funded support is limited and Permanent Residency is not guaranteed.

This CUAET Community Resource Guide is part of the Circles of Care project by the Medicine Hat Local Immigration Partnership, Saamis Immigration Services Association and funded by the Community Foundation of Southeastern Alberta.

The objective is to provide concise information for CUAET visa holders and supporters, in 3 categories:

- **SECURITY**
- **SELF-SUFFICIENCY**
- **SOCIAL INCLUSION**

This information is from local, provincial and federal sources.

### LAND ACKNOWLEDGEMENT

*On behalf of our community, Circles of Care acknowledges that the force of national invasion currently displacing Ukrainians from their homeland is the same force that removed local Indigenous peoples from their traditional land we now call Medicine Hat (historically, Saamis).*

*In reconciliation, we celebrate the resilience of the Blackfoot Confederacy: Kainai, Piikani and Siksika Nations, the Stoney-Nakoda Nation of the Sioux, Tsuu T'ina Nation of the Dene and the Metis, Cree and Ojibwa people who share and steward this land.*

*In reciprocity, we honour our Treaty 4 and Treaty 7 obligations to these people by creating communities bound by peace and provision for all.*

*Welcome to shared territory.*

## ► **Driving in Alberta** | <https://www.alberta.ca/support-for-ukrainians.aspx>

Alberta has strict driving regulations. Licensing is offered at a Registry or a License Bureau.

Ukrainian driver's licenses must be exchanged for Alberta licenses within 90 days of arrival. In Alberta, Ukrainian applicants must submit their physical license and complete all testing, including vision, knowledge, and road tests.

The Graduated Driver Licensing (GDL) Exemption Program provides access to a road test without needing to abide by the Class 7 and Class 5 GDL program times, for those with valid experience and documentation from outside Canada.

Ukraine does not have a reciprocal license exchange agreement with Alberta, so applicants need to pass a knowledge test and apply to have their previous driving history credited. Applicants can apply before or after passing a knowledge test. Processing time for a GDL Exemption application is 10 business days.

Contact [mv@gov.ab.ca](mailto:mv@gov.ab.ca) or (780) 427-7013 for information about GDL Exemption.

Contact [trans.driver.prog@gov.ab.ca](mailto:trans.driver.prog@gov.ab.ca) or (780) 427-8230 for general licensing information.
